- Property damage caused by fire, smoke, explosion and water	2.500.000,00 EUR
- Accidental pollution	2.500.000,00 EUR
- Consequential Financial Losses	2.500.000,00 EUR

## Insured activities

---

All activities specific to:

- national and international transport of general cargo (including light ADR) with loading and unloading and ter location. The transport can be carried out by both Belgian and foreign (self-employed) drivers with NSE vehicles on behalf of NSE;
- logistics services such as storage, storage, handling, transshipment, warehousing, groupage, etc.;
- the status of commission agent-carrier,
- the use and rental of tractors, trailers, trucks (drybox & curtain) containers and other yard and lifting equipment;
- own repair and maintenance service for the own fleet as well as for third parties.

All activities are carried out for their own account as for third-party account.

All activities specific to the insured company are covered.

Co-insured in DIC / DIL (difference in conditions / difference in limits): they have signed a local non-programme policy, Baloise intervenes in second place:

- Iberotal-Transport & logistics Unipessoal LDA, Rua Dom Marcos da Cruz, n° 2029 1 Dto Tras. 4455-482 Perafita - Matosinhos

(local policy number 204170635 – Allianz Portugal)

## Insurance period

---

The company certifies that the insurance policy is in force and that the premiums are paid regularly.

This certificate is valid until 01/01/2024 except in case of cancellation or suspension according to the general policy conditions.

The present certificate of insurance is issued for information purposes only, and does not alter the coverage or the insured limits of indemnity of the insurance contract, neither the rights and/or obligations of the parties.

Issued in Antwerp, on 14/12/2022.

With kind regards

Christophe Hamal  
CEO Baloise
